Sugar Baby and Other Stories

Candlewick Press

"Nina de Gramont's *The Christie Affair* is a beguiling novel of star-crossed lovers, heartbreak, revenge, and murder-and a brilliant re-imagining of one of the most talked-about unsolved mysteries of the twentieth century. Every story has its secrets. Every mystery has its motives. 'A long time ago, in another country, I nearly killed a woman. It's a particular feeling, the urge to murder. It takes over your body so completely, it's

like a divine force, grabbing hold of your will, your limbs, your psyche. There's a joy to it. In retrospect, it's frightening, but I daresay in the moment it feels sweet. The way justice feels sweet.' The greatest mystery wasn't Agatha Christie's disappearance in those eleven infamous days, it's what she discovered. London, 1925: In a world of townhomes and tennis matches, socialites and shooting parties, Miss Nan O'Dea became Archie Christie's mistress, luring him away from his devoted and well-known wife, Agatha Christie. The question is, why? Why destroy another

woman's marriage, why hatch a plot years in the making, and why murder? How was Nan O'Dea so intricately tied to those eleven mysterious days that Agatha Christie went missing?"--

More Stories Ballantine Reader's Circle
The Civil Rights movement brought author Alice Walker and lawyer Mel Leventhal together, and in 1969 their daughter, Rebecca, was born. Some saw this unusual copper-colored girl as an outrage or an oddity; others viewed her as a symbol of harmony, a triumph of love over hate. But after her parents divorced, leaving her a lonely only child ferrying between two worlds that only seemed to grow further apart, Rebecca was no longer sure what she represented. In this book, Rebecca Leventhal Walker attempts to define

herself as a soul instead of a symbol—and offers a new look at the challenge of personal identity, in a story at once strikingly unique and truly universal.

Switched At Birth... Day University Press of Kentucky
Uncle Daniel Ponder, whose fortune is exceeded only by his desire to give it away, is a source of vexation for his niece, Edna Earle. Uncle Daniel's trial for the alleged murder of his seventeen-year-old bride is a comic masterpiece. Awarded the William Dean Howells Medal of the American Academy of Arts and Letters. Drawings by Joe Krush.
Fly Away Home Oxford University Press
A stunning literary portrait of the American South presents a collection of short stories, essays, and poetry from

some of the region's most acclaimed modern writers, including Pat Conroy, W. E. B. Griffin, Rick Bragg, Suzanne Hudson, William Gay, Winston Groom, Steve Yarbrough, and Tom Corcoran. Reprint.

Women Talk Money Simon and Schuster

"Inspired by the Ubuntu philosophy "I am who I am because we are who we are" and explained through stories from her own life and those of her mentors and inspirations, Dr. Lewis details the nine

daily practices necessary for transforming ourselves, our communities, and our world at large. From learning to put down our emotional baggage to speaking truth to power to fueling our activism with joy, Dr. Lewis gives readers a renewed sense of the power they have to create caring communities; to stand up for the vulnerable; and to change our shared human story from one of anxiety, anger, and divisiveness to one of mindfulness, compassion, and unity. Dr. Lewis's *Fierce Love* is a manifesto for all generations, a universalist's vision for mending our broken hearts and fractured world"--
Black White and Jewish Penguin
Clay Sizemore, a coal miner in love, searches his family history for clues about who he is, uncovering a dramatic

story woven into the fabric of his uncle's quilts.

P.S. Longer Letter Later Candlewick Press

"River Jordan is a holy truth-teller who can make even the bad things in life seem as sweet as sugar. The stories in *Sugar Baby and Other Stories* are as real as life itself, but the language River uses to coat the pain is something from another world. Writer, storyteller, heart healer. River Jordan is simply the best." Wiley Cash, author, *The Last Ballad* Will be finished later

An Anthology of Contemporary Stories and Poetry SBL Press

Shifters and Paranormals face extinction if they do not begin to mate and begin having children again. The problem is if this happens the Gods will become

extinct right along with them. A plan is formed and part of that plan is to switch powers between mates until they claim each other. The changes have been made now the rest is going to be up to them. Waking up to find out you're a panda instead of the god you have been raised to be is shocking. Discovering your powers have been switched with your mate's is a major reason to panic especially when your shifter mate is destroying everything around you with earthquakes and tornados. Can Loki convince Gaby that they were meant to be or will the man destroy them all from his fear.

Appalachians Fighting Mountaintop Removal Open Road Media

A searing and fearless anthology of essays exploring the profound impact of

money on women's lives, edited by prominent feminist and writer Rebecca Walker. *Women Talk Money* is a groundbreaking collection that lifts the veil on what women talk about when they talk about money; it unflinchingly recounts the power of money to impact health, define relationships, and shape identity. The collection includes previously unpublished essays by trailblazing writers, activists, and models, such as Alice Walker, Tressie McMillan Cottom, Rachel Cargle, Tracy McMillan, Cameron Russell, Sonya Renee Taylor, Adrienne Maree Brown, and more, with Rebecca Walker as editor. In this provocative anthology, we discover a family that worships money even as it tears them apart; we read about the "financial death sentence" a transgender

woman must confront to live as herself. We trace the journey of a Silicon Valley entrepreneur who finally makes enough money to discover her spiritual impoverishment; we follow a stressful email exchange between an unsympathetic university financial officer and a desperate family who can't afford to pay their daughter's tuition, and more. This collection is a clarion call to conduct honest conversations that demystify and transform the role money plays in our lives. Dazzlingly resonant and deeply familiar, *Women Talk Money* is a revelation.

A spirited Southern woman upends the insular world of her small Kentucky town in this acclaimed debut novel by "a storyteller of distinction" (Publishers

Weekly). Kentucky, 1944. Though she hails from a Fundamentalist Baptist family, there is nothing conventional about Martha Bragg Pickett Miracle. In her youth, she smoked cigarettes, rode motorcycles, and snuck across the Knob Fork River to buy beer from Catholics—and fall in love with one. Twenty years later, Martha has settled into marriage. But deep down, she's just as rebellious as she ever was. The arrival of a smooth-talking Yankee contractor leads Martha to turn her life upside down—unaware that her son will follow suit. Both heartfelt and shrewdly humorous, this widely acclaimed first novel from author Fenton Johnson is an affecting look at one woman's reawakening and her son's coming of age in the American heartland.

"Adapted from *Between Shades of Gray* by Ruta Sepetys, published by Philomel Books in 2011"--Page facing title page.

Sustaining Democracy Bloomsbury Publishing

In 1917, a Cherokee woman who leaves her community to marry a white man finds herself isolated and discriminated against as she tries to settle in to her new life. By the author of *Clay's Quilt*. Reprint.

Crossing the River University Press of Kentucky

"Examines both the roots and the resonance of Neema Avashia's identity as a queer desi Appalachian woman. With lyric and narrative explorations of foodways, religion, sports, standards of

beauty, social media, and gun culture"--
STEAM Experiments and Activities for Kids 8-12 Random House Digital, Inc.
Left to raise themselves in a small coal-mining town in Tennessee, Annet and Easter, two very different sisters--one destined for the glittering world of Nashville, the other a devout Pentecostal--struggle to come to terms with the death of their mother as their long and difficult journey brings them back to their origins and to each other. By the author of *Clay's Quilt*. Reader's Guide included. Reprint. 30,000 first printing.
Houghton Mifflin Harcourt
From the author of *The Watchmaker of Filigree Street* and *The Kingdoms*, an epic Cold War novel set in a mysterious town in Soviet Russia. In 1963, in a

Siberian prison, former nuclear specialist Valery Kolkhanov has mastered what it takes to survive: the right connections to the guards for access to food and cigarettes, the right pair of warm boots, and the right attitude toward the small pleasures of life so he won't go insane. But one day, all that changes: Valery's university mentor steps in and sweeps him from the frozen camp to a mysterious unnamed city. It houses a set of nuclear reactors, and surrounding it is a forest so damaged it looks like the trees have rusted from within. In *City 40*, Valery is Dr. Kolkhanov once more, and he's expected to serve out his prison term studying the effect of radiation on local animals. But as Valery begins his work, he is struck by the questions his research raises. Why is there so much

radiation in this area? What, exactly, is being hidden from the thousands who live in the town? And if he keeps looking for answers, will he live to serve out his sentence? Based on real events in a surreal Soviet city, and told with bestselling author Natasha Pulley's inimitable style, *The Half Life of Valery K* is a sweeping new adventure for readers of Stuart Turton and Sarah Gailey. [An Illustrated Novel](#) Scholastic Inc. The "fascinating" #1 New York Times bestseller that awakened the world to the destruction of American Indians in the nineteenth-century West (*The Wall Street Journal*). First published in 1970, *Bury My Heart at Wounded Knee* generated shockwaves with its frank and heartbreaking depiction of the systematic annihilation of American

Indian tribes across the western frontier. In this nonfiction account, Dee Brown focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, *Bury My Heart at Wounded Knee* inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author's personal collection. [A Bold Path to a Better Life and a Better World](#) Z Kids
A homeless boy who lives in an airport

with his father, moving from terminal to terminal trying not to be noticed, is given hope when a trapped bird finally finds his freedom. Full-color illustrations.

The Graphic Novel Houghton Mifflin Harcourt

The bestselling compendium of ancient Greece's timeless tales and towering figures of mythology from a classics expert. The world of Greek mythology contains some of the most exciting and imaginative stories ever told. In *Heroes, Gods and Monsters of the Greek Myths*, bestselling author Bernard Evslin shares his passion for these fabulous tales and the eternal themes they so beautifully express. In this accessible overview, you'll get to know the iconic gods, heroes, and tragic figures: Zeus, the all-powerful king of the gods; Hera, his

cunning and jealous wife; King Midas, whose touch could turn anything into gold; the sculptor Pygmalion, who falls in love with his own creation; and many more. With each story, Evslin brings new life to these legendary characters and the magical world they inhabit.

Translated into multiple languages, and with more than ten million copies sold, this invaluable resource has become a classic in itself.

Exiled to Siberia In June 1942, the Rudomin family is arrested by the Russians. They are "capitalists -- enemies of the people." Forced from their home and friends in Vilna, Poland, they are herded into crowded cattle cars. Their destination: the endless

steppe of Siberia. For five years, Ester and her family live in exile, weeding potato fields and working in the mines,

struggling for enough food and clothing to stay alive. Only the strength of family sustains them and gives them hope for the future.
