Are You My Mother? Golden Books

Dorothy Kunhardt's *Pat the Bunny* is a children's classic, with millions of copies sold. It's inspired numerous spin-offs for both kids and adults—but none as wickedly amusing as this clever interactive book! Every wife, girlfriend, and woman who hopes to be one will treasure it, and have endless fun playing with the lift-the-flap, touch-and-feel, pull tabs, and other highly designed elements. It slyly questions who wears the pants in the family, and lets women humor their men by removing the Velcro pants from the female figure and putting it on the male. Or, eager to have hubby say yes to your request? Then just use the tab to make his head nod! Since all men are really little boys at heart, what better way to celebrate (okay—roast) their peccadilloes than with a kids' book format? *Pat the Husband* takes amusing aim at the oddities of guys everywhere, making it the perfect gift from girlfriend to girlfriend, as well as for bridal showers and anniversaries. Every wife will recognize the humor in the quirky characteristics played out about "husbands everywhere"—and find a reason every day to sneak a peek and pat!

The Taming of the Shrew That's Not My

In this hilarious touch-and-feel book, a cranky duck dares children to tickle his soft stomach, his hairy armpit, his rubbery foot—and reacts uproariously each time. Despite his protests, does the duck really like being tickled after all? This modern day version of *Pat the Bunny* will have its audience laughing, and maybe even snorting, -Do it again!+ Like *Ten Little Lady Bugs and Tails*, this treasure of interactive fun is sure to engage parents and children for hours of tickling and giggling.

The Autobiography of Ms. Pat HarperCollins

Finalist for an NAACP Image Award for Outstanding Literature Finalist for a 2018 Southern Book Prize for Biography and History "I pounced on [Ms. Pat's] book. And I thought she did such a great job...God, [Rabbit] was entertaining. And I recommended it to so many people." —David Sedaris, author of the New York Times bestseller *Calypso* "An absolute must-read" – Shondaland "[Rabbit] tells how it went down with brutal honesty and outrageous humor" – New York Times "I know a lot of people think they know what it's like to grow up in the hood. Like maybe they watched a couple of seasons of *The Wire* and they got the shit all figured out. But TV doesn't tell the whole story." – Ms. Pat They called her Rabbit. Patricia Williams (aka Ms. Pat) was born and raised in Atlanta at the height of the crack epidemic. One of five children, Pat watched as her mother struggled to get by on charity, cons, and petty crimes. At age seven, Pat was taught to roll drunks for money. At twelve, she was targeted for sex by a man eight years her senior. By thirteen, she was pregnant. By fifteen, Pat was a mother of two. Alone at sixteen, Pat was determined to make a better life for her children. But with no job skills and an eighth-grade education, her options were limited. She learned quickly that hustling and humor were the only tools she had to survive. Rabbit is an unflinching memoir of cinematic scope and unexpected humor. With wisdom and humor, Pat gives us a rare glimpse of what it's really like to be a black mom in America.
